

KidSpot Parent Registration Form

At KidSpot, we care about children as if they were our own.
To help us better care for your child, we need some information about them and you.

To ensure your privacy, we do not share this information with anyone, ever.
We will never sell your information to anyone for any reason.

Child's Information

Child's Name: _____ Preferred Name: _____

Emergency Contact: Y/N

More Important Information On Back.

Payment Information

One time registration fee of \$ 25.00 per family.

Important Information for you to know:

Immunization records are required for registration.

For the health and safety of all children at KidSpot, we cannot care for sick children. If your child has a fever of 99.5 degrees or greater, if your child is throwing up or has diarrhea, or your child has a contagious disease other than a mild cold, we cannot accept your child.

For safety reasons, we require a cell phone or contact number anytime you leave your child.

We know discipline is a tough job for any parent. At KidSpot, we hope to help parents reinforce in their children a respect for other people. Consequentially, if a child exhibits inappropriate behavior, we will place the child in time out. No staff member will ever hit a child for any reason. We want the opportunity to care for all children, however, for the safety of all KidSpot kids, we reserve the right to refuse care to any child for whatever period of time KidSpot staff determines appropriate.

We do not serve food of any kind at KidSpot, however, we do have snacks for purchase of \$1.00 per serving. If your child will be visiting us during meal times, please bring a meal for your child so he or she can eat it here. For safety reasons, we do not heat food for children.

We do not administer any medicine of any kind at KidSpot. Any and all medicines must be administered by a parent prior to coming to KidSpot or after their stay is complete. Because safety is so important to us at KidSpot, we regret that we cannot accept medically- dependent or challenged children; our staff is not properly trained in this type of care.

We do not provide diapers, wipes, or bottles for children, so be sure to pack a diaper bag for us. For children in diapers, there will be an extra fee if we have to use our supply.

We understand plans change. We know there are times that you can't be back exactly on time exactly when you planned. However, **the state of North Carolina requires that stays at KidSpot be limited to 4 hours per visit.** Your assistance in following this rule will be appreciated. If you fail to pick up your child before the close of business, there will be a fee per minute after KidSpot is schedule to close. See your KidSpot for details.

If you fail to pick up your child by the close of business, we will immediately start to call your emergency contact names and request that someone come to pick up your child. If we cannot find anyone on your contact list available to pick up your child, we will contact the Department of Health and Human Services and transfer your child into their care.

We are required to release a child to his and her legal parent or guardian. If your child has a special custody arrangement and you do not wish the child to be released to the child's other parent or guardian, we must have appropriate court documentation to support this. Without appropriate court documents, we are legally required to release the child to their parent or guardian upon request.

Release of Liability: I hereby agree to release KidSpot, its representatives, agents, and employees from any and all claims, causes, right of action, and liability for any injury to my child, _____, resulting for any cause whatsoever occurring to him/her at any time, arising out of, or in connection with participation in KidSpot programs or while on KidSpot premises.

Thanks for letting KidSpot care for your child. We hope to see you and your child often!

I have read and understand the above policies.
